

Serial No.: 10/056,960
Group Art Unit: 2665
Examiner: Lina Yang

REMARKS

Claims 32-39 have been currently added and remain in this application. Claims 1-31 have been canceled and, thus, all standing rejections to these claims are moot.

Further, no prior art rejection was applied to Claims 11 and 21 (and the claims dependent therefrom) because the Office Action rejected Claim 11-20 and 21-30 under 35 USC 112 for being hybrid claims.

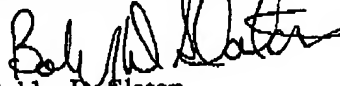

New independent Claim 32 corresponds to Claim 11 and new independent Claim 36 corresponds to Claim 21. Claims 32 and 36 have been drafted to avoid a similar 112 hybrid claims rejection. Further, Applicant submits that Claims 32 and 36 (and all claims dependent therefrom) are allowable of the cited art.

CONCLUSION

For the above reasons, the foregoing amendment places the Application in condition for allowance. Therefore, it is respectfully requested that the rejection of the claims be withdrawn and full allowance granted. Should the Examiner have any further comments or suggestions, please contact Bobby Slaton at (972) 519-2295.

Respectfully submitted,

ALCATEL
